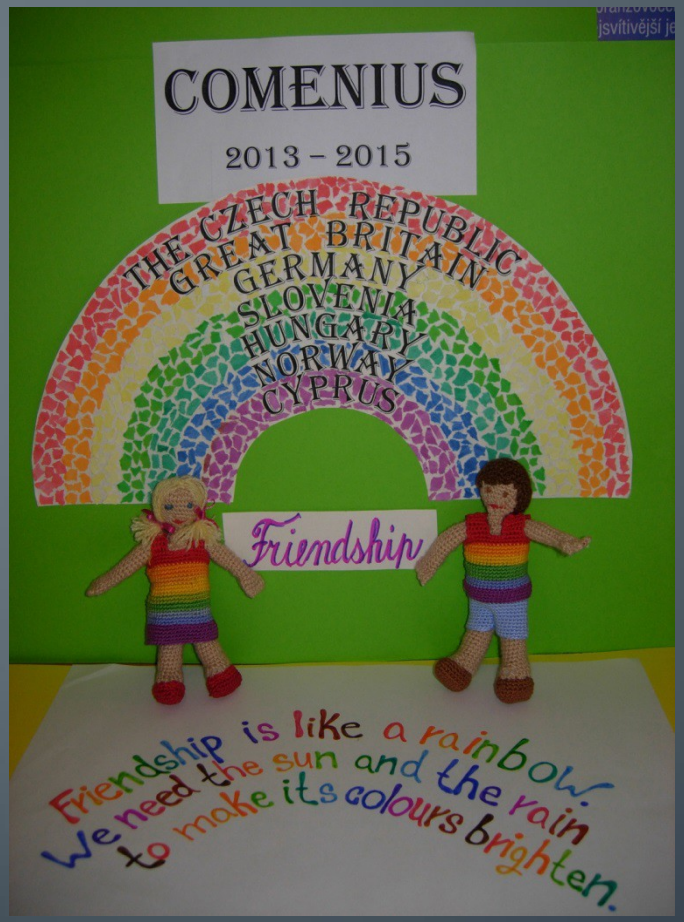
Comenius: A Recipe for 21st Century Life

2013-2015

Friendship Party / Párty přátelství

Únor 2014



Friendship Party / Párty přátelství

On 27th and 28th February we had a great friendship party in our school. The party was prepaired by the students of 8th and 9th classes for younger pupils. We spoke English, played different games and danced. Both the younger pupils and students had a lot of fun. We like Comenius activities.
