

Dear our Indian friend, thanks a lot for your letter. We would like to write you a bit about us. The Czech Republic is a small country in the heart of Europe. It has 10 million people. The capital city is Prague. It has 1 million inhabitants. Our town is Žamberk. It has 6 000 inhabitants. Our school isn't big. There are 326 pupils and 30 teachers here.

We are glad that you are doing well at school and helping at home. We also have to learn a lot and sometimes help at home.

In summer we like biking, going to the mountains, doing sport, travelling. In winter we love skiing, skating and going for a walk to our wonderful park.

Some of us have been abroad like Turkey, Hungary, Spain and Croatia. We have never been to India. Maybe we will visit your country in the future.

We wish you all the best in your life.

Best wishes.
